

Threat Intelligence Analyst

Description

🔗🔗 Why This Job Rocks (Our Take)

Cyber threats aren't slowing down, and neither should you. At Booz Allen Hamilton, Threat Intelligence Analysts are the detectives of cyberspace — tracking adversaries, connecting dots, and giving clients the intel they need to defend against attacks. If you love turning raw data into actionable insight and thrive on staying one step ahead of threat actors, this is the career move you've been waiting for.

🔗🔗 Job Highlights (At a Glance)

- **Estimated Pay Range:** \$62,000 – \$141,000/year (depends on experience, clearance, and location)
- **Location:** Hybrid / Onsite (client-dependent)
- **Security Clearance:** Secret (or higher) required
- **Key Tools:** MISP, ThreatConnect, VirusTotal, SIEM platforms, IOC repositories
- **Skills That Shine:** Intelligence analysis, adversary TTPs, MITRE ATT&CK, reporting

🔗🔗 Official Job Description (From Booz Allen)

Key Role

Support analysis and research on advanced cyber threats. Produce threat intelligence including indicators of compromise (IOCs), tactics, techniques, and procedures (TTPs), vulnerability profiles, and adversary behaviors. Collect, correlate, and analyze intelligence from open-source, commercial, and government sources. Provide threat actor profiles and actionable intelligence to stakeholders. Contribute to detection rule development and defenses for client networks.

Basic Qualifications

- 7+ years of cybersecurity threat intelligence or intelligence analysis experience
- 3+ years working with diverse stakeholders to vet and share intel
- Hands-on with threat intelligence platforms and enrichment tools (MISP, ThreatConnect, VirusTotal, etc.)
- Strong knowledge of adversary tactics, attacks, and frameworks like MITRE ATT&CK
- Active security clearance (Secret or higher)
- High school diploma or GED (Bachelor's preferred)

Preferred Qualifications

- SOC operations or cyber investigations experience
- Relevant certifications (CISSP, GCTI, GCIA, GCIH, CEH, CTIA)
- Strong communication skills for briefings, reports, and senior-level presentations

Employment Type

Full-time

Hiring organization

Booz Allen Hamilton

Job Location

McLean, VA, USA

Base Salary

\$ 100,000 - \$ 150,000

Work Model

Depending on the contract, you may work hybrid, remote, or onsite at a client facility.

Compensation & Benefits

Pay is determined by factors including location, skills, and clearance. Benefits include medical, dental, retirement, paid leave, tuition support, and career development opportunities.

Equal Opportunity Statement

Booz Allen Hamilton is proud to be an Equal Opportunity Employer. All qualified applicants receive consideration without regard to race, color, religion, gender, or protected status.
