Detail
Info

Estimated Pay

\$45 – \$60/hr (varies by location & assignment)

Location

Various U.S. clinics — travel assignments, sometimes remote support

What You'll Do

Patient assessments, dermatology procedures, patient education, clinical documentation

Requirements

Active RN license, at least 1 year of clinical experience, travel flexibility

Perks

Travel reimbursement, housing stipends, flexible schedules, healthcare benefits

??? What You'll Do

- Provide high-quality patient care in dermatology clinics.
- Assist dermatologists with procedures like biopsies, excisions, and skin treatments.
- Conduct patient education on skin health, treatments, and follow-ups.
- Document patient care accurately and maintain clinic compliance.
- Collaborate with healthcare teams to ensure smooth daily operations.
- Adapt quickly to new clinics, equipment, and workflows.

?? What You Bring

- Current RN license in the state(s) you'll work.
- Minimum 1 year of clinical nursing experience (dermatology preferred, but not required).
- Strong communication and patient care skills.
- Flexibility and adaptability — every assignment is a new environment.
- Bonus: previous travel nursing experience and familiarity with EMR systems.
